

POSTER PRESENTATION

INSTRUCTIONS: All poster presenters are required to register & attend the full course. Poster Presenters are responsible for set-up & take down of posters at designated times & should be available for questions/inquiries for poster sessions throughout the course. Poster numbers are assigned at first come first serve basis.

We highly suggest that you have your poster delivered to the *Grand Floridian Resort & Spa* by Monday, July 12, 2021. Posters should be mounted between 1:00 PM – 5:00 PM on July 14, 2021. Posters must be removed at 1:00 PM July 18, 2021. Exhibits & Poster Sessions will be open for viewing throughout the 4-day course during refreshment breaks (see [Preliminary Agenda](#)).

Your poster should be self-explanatory so that you are free to supplement & discuss points raised in inquiry. The poster must cover the same material as reported in the abstract. A copy of your abstract will be posted on your assigned poster board.

When preparing a poster, a disclosure statement must be included, noting grants & other support which helped underwrite the research or preparation of the presentation.

All illustrations should be made beforehand. Your illustrations should be able to be read from distances of about 3' or more. Charts, drawing, & illustrations might well be similar to those you would otherwise use in making slides. Do not mount them to heavy board which may be difficult to keep in position your poster boards. Hand letter material should contain appropriately heavy lettering at least 3/8" high. You may wish to have handouts for attendees.
