

Exclusive Services Power Distribution Services

Electrical Power Distribution Regulations

Encore is the exclusive provider of power management and distribution at the Marriott Marquis San Diego Marina. This includes but is not limited to:

- Convention and Meeting space
- Exhibit Hall
- Lobby and Public Areas
- Outdoor Terraces

All Power Distribution and Equipment in event, meeting and public space must be provided by Encore.

To protect the integrity of the hotels electrical system outside production companies and vendors cannot directly interact with the hotels electrical system. Encore does maintain a limited supply of power distribution equipment onsite however if cabling and distribution boxes are needed, they should be ordered in advance through Encore. Encore will not load or allow a service to be loaded beyond 80% of the rated capacity of the service. Power Distribution equipment is billed on a per-day basis. All power distribution Encore uses will be UL/ETL listed and will meet or exceed all state and local requirements for safe electrical distribution.

Breakout power requirements exceeding a standard 20-amp wall outlet must be coordinated through Encore. Please contact your Encore salesperson for information on what power drops are available in your space.

General Session Production Power Distribution is eligible to be provided by Production Company per approval by Encore. Distribution Boxes must meet all above criteria and is limited to production equipment only.

Power Drop Rates

20 amp (single phase/Edison)	\$145 per day
60 amp (3 phase/Hubbel 560R9W)	\$490 per day

Exclusive Services – House Lighting, Sound & Podiums

House Lighting Patch Rates

A house lighting patch is available in the following rooms:

- Marriott Grand Ballroom - \$285 per day
- Pacific Ballroom - \$285 per day
- Marina Ballroom - \$285 per day

Programming and installation of lighting patches requires an operator for a minimum of 1 hour at \$140 per hour. Time required will be based off of client's configuration specifications.

Lighting patch regulations and specifications

- A minimum of 48 hours must be given if a house lighting patch is needed as it needs to be appropriately configured.
 - If notice is given within that time a rush charge will apply.
- Client lighting board must be able to handle 250+ DMX Channels, soft patching capabilities is highly recommended.
- The system is a Crestron Lighting System with DMX input (5-pin).
- House lighting channels are not changeable

House Sound Patch Rates

House sound patches are available in our meetings space at the rate of \$185 per room, per day.

House Sound regulations and specifications

- House sound is intended for **voice only**.
- No loud music or high impact sounds are allowed to be played through the Marriott Marquis house sound system.

Podiums/Lecterns

Podiums are managed exclusively by Encore and available in our meetings space at the rate of \$125 per room, per day. This charge is comprised of a \$6250 labor fee to set and \$62.50 labor fee to strike. A one-time set and strike fee applies per room if the podium remains for the duration of your program's needs.

A complete range of state-of-the-art equipment, technical expertise, and production services are available through the Hotel's in-house partner, Encore. Their experience working in coordination with other Marriott Marquis San Diego Marina operating departments will ensure your event is a success.
