
POSTER PRESENTATION

INSTRUCTIONS: All poster presenters are required to register & attend the full course. Poster Presenters are responsible for set-up & dismantle of posters at designated exhibit/poster times & should be available for questions/inquiries for poster sessions throughout the course. Poster displays are self-assigned on a first come first serve basis.

We highly suggest that you have your poster delivered to *Disney's Grand Floridian* Convention Center by Tuesday, July 09, 2024. Posters should be mounted during move-in hours between 1:00 PM - 5:00 PM on July 10, 2024 and removed during move-out hours 4:45 PM-8:00 PM on July 13, 2024. Exhibits & Poster Sessions will be open for viewing throughout the course during refreshment breaks. Please refer to the program agenda for exact times.

Your poster should be self-explanatory so that you are free to supplement & discuss points raised in inquiry. The poster must cover the same material as reported in the abstract. A copy of your abstract will be made available to attendees in the meeting materials link.

When preparing a poster, a disclosure statement must be included, noting grants & other support which helped underwrite the research or preparation of the presentation.

All illustrations should be made beforehand. Your illustrations should be able to be read from distances of about 3' or more. Charts, drawing, & illustrations may be similar to those you would otherwise use in making slides. Do not mount them to heavy board which may be difficult to keep in position your poster boards. Hand letter material should contain appropriately heavy lettering at least 3/8" high. You may wish to have handouts for attendees.
